REMARKS

Applicants do not amend, change or cancel any claims. Accordingly, claims 1-4, 6, 11, 16-17 and 24-34 remain pending in this application.

**I. Interview Summary**

The Examiner indicated in a telephone conversation on January 23, 2006 with Applicants' attorney that a sales graph presented in the previous response as Exhibit A attached to a Declaration was omitted. Applicants submit a copy of this sales graph herewith for the convenience of the Examiner. However, our files and the returned postcard, a copy of which is submitted herewith, reflect that the sales graph of Exhibit A was in fact submitted. Accordingly, Applicants request consideration of the sales graph identified previously as Exhibit A along with the previously submitted response and declarations.

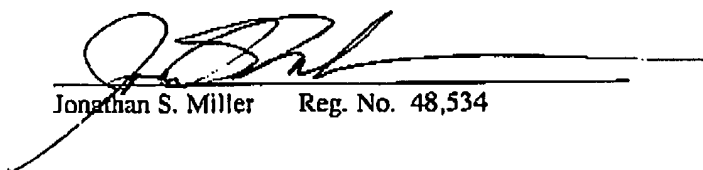

CONCLUSION

In view of the forgoing, it is believed that all claims now pending are in condition for allowance and such action is earnestly solicited at the earliest possible date. If there are any additional fees due in connection with the filing of this response, please charge those fees to our Deposit Account No. 02-2666. Questions regarding this matter should be directed to the undersigned at (310) 207-3800.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
